In carrying out the Great Commission of Jesus (Matthew 28:18-20; Mark 16:15,16), the above conversions are recorded in the book of Acts as the chart above describes. When one becomes a Christian he/she needs to become active in a local congregation who believes, and teaches the Bible (Acts 14:22). If one does not use his/her talents, time and treasures for the Lord - they run a big risk in drifting away. If one needs assistance to locate such a congregation, they should contact the producer of this chart:
