

PRAYER, FIVE FINGER

By Dr. Hoyt W. Allen, Jr.

This is so neat. This is beautiful - and it is surely worth making the Five finger prayer a part of our lives.

1. **Your thumb** is nearest you. So begin your prayers by praying for those closest to you. They are the easiest to remember. To pray for our loved ones is, as a 'sweet duty.'
2. The **next finger** is the pointing finger. Pray for those who teach, instruct and heal. This includes teachers, doctors, and ministers. They need support and wisdom in pointing others in the right direction. Keep them in your prayers.
3. The **next finger** is the tallest finger. It reminds us of our leaders. Pray for the government's leaders, those in business and industry, and administrators. These people shape our nation and guide public opinion. They need God's guidance.
