

"THE 'A.C.L.U.' EXPOSED"

By Dr. Hoyt W. Allen, Jr.

The **A.C.L.U.** (American Civil Liberties Union * 125 Broad Street * New York, NY 10004-2400 * 212/549-2500 * Web Page: www.aclu.org * E-Mail: aclu@aclu.org) has been thought to be on the side of U.S.A. citizens. But note those of us who hold to conservative views and the Bible as necessary for "true freedom" perceive the organization differently. It is certainly strange that our nation's "Founding Fathers" and many outstanding national leaders thought that the Bible was needed to guide this young nation.

The ACLU is targeting our faith and families in the following ways:

- 1) ACLU works to strip the "**Ten Commandments**" or any other faith-based images, from public display in our communities.
- 2) ACLU attacks students' rights to express their faith openly, even advocating "**Prayer Police**" in our schools to monitor religious expression.
- 3) ACLU **undermines the rights of families** in favor of the government establishing family policies.
- 4) ACLU fights to **eliminate any mention** of faith from city and state seals and mottos, stripping away our religious heritage.
- 5) ACLU advocates **drug legalization**.
- 6) ACLU promotes **homosexual marriage** and the radical gay agenda, which include the right to adopt children..
- 7) ACLU advances **abortion rights**.
- 8) Perhaps most threatening of all, the ACLU **actively targets those who oppose its' agenda**, using the threat of legal action to bully citizens into silence.

KYOWVA has a sixty minute **video** in its free video lending library "**ACLU (LEGACY OF)**" produced by "Wall Builders". It exposes the ACLU for what it really is. If your Bible Class or Church has not viewed this DVD - they should contact us ASAP.
