

## **AMERICA - THE BLESSED**

*By Dr. Hoyt W. Allen, Jr.*

The following article came to me recently and I contended that I should pass it on. It has been slightly edited and a conclusion added.

If we could shrink the earth's population to a village of precisely 100 people, with all the existing human ratios remaining the same, it would look something like the following:

There would be:

- 57 Asians
- 21 Europeans
- 14 from the Western Hemisphere, North and South
- 08 Africans
- 52 would be female
- 48 would be male
- 70 would be nonwhite
- 30 would be white
- 70 would be non-Christian
- 30 would be Christian
- 06 people would possess 59% of the entire world's wealth and all 6 would be from the United States.
- 80 would live in substandard housing
- 70 would be unable to read
- 50 would suffer from malnutrition
- 01 would be near death
- 01 would be near birth
- 01 (yes, only 1) would have a college education
- 01 would own a computer

When one considers our world from such a compressed perspective, the need for acceptance, understanding and education becomes glaringly apparent.

The following is also something to ponder...

If you woke up this morning with more health than illness...you are more blessed than the million who will not survive this week.
