

"BLONDES, AND PASSWORDS"

By Dr. Hoyt W. Allen, Jr.

During a recent password audit, it discovered a blonde was using the following password:

MickeyMinniePlutoHueyLouieDeweyDonaldGoofySacramento

When they asked why such a long password, she said she was told that it had to be at least 8 characters long and include one capital.

This was not to be offensive to blondes, and I really do not understand why some want to pick on blondes.

Returning home from work, a blonde was shocked to find her house burglarized. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the radio, and a K-9 unit, patrolling nearby was the first to respond. As the K-9 officer approached the house with his dog on a leash, the blonde ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps. Putting her face in her hands, she moaned, "I come home to find all my possessions stolen. I call the police for help, and what do they do? They send me a BLIND policeman.

Plainly, don't get short changed. Let's be ready to meet our Maker. The Bible (in Acts) teaches that to avoid hell and gain heaven - one must:

- 1) Believe In Jesus As Savior (16:31)
- 2) Repent Of Sins (17:30)
- 3) Confess Christ Audibly (8:37)
- 4) Be Baptized In Water (2:38)
- 5) Live A Christian Life (14:22)
- 6) Be Active In the Church (2:47)
