

ESSAY FROM A COLUMBINE STUDENT

In the "Spring" of 1999 in Littleton, CO several Columbine High School students were shot while on the high school campus by other high schools students. A Columbine student wrote the following.

"This paradox of our time in history is that we have taller buildings, but shorter tempers; wider freeways, but narrower viewpoints; we spend more, but have less, we buy more, but enjoy it less.

We have bigger houses and smaller families; more conveniences, but less time; we have more degrees, but less sense; more knowledge, but less judgment; more experts, but more problems; more medicine, but less wellness.

We have multiplied our possessions, but reduced our values.

We talk too much, love too seldom, and hate too often.

We've learned how to make a living, but not a life; we've added years to life, not life to years.

We've been all the way to the moon and back, but have trouble crossing the street to meet the new neighbor.

We've conquered outer space, but not inner space; we've cleaned up the air, but polluted the soul; we've split the atom, but not our prejudice.

We have higher incomes, but lower morals; we've become long on quantity, but short on quality.

These are the times of tall men, and short character; steep profits and shallow relationships.

These are the times of world peace, but domestic warfare; more leisure, but less fun; more kinds of food, but less nutrition.

These are the days of two incomes, but more divorce; of fancier houses, but broken homes.

It is a time when there is much in the show window and nothing in the stockroom; a time when technology can bring this letter to you, and a time when you can choose either to make a difference...or just hit delete."

Mankind is slow to learn that Jesus is the way to a peaceful life. If you are not walking with Him, why not make Him your Savior and Lord today. Read John 3:16; Acts 16:31, 17:30, 8:37, 2:38 & 14:22 and then obey these Scriptures and begin enjoying "True Life"!
