

DEVIL, IF I WAS HIM, I WOULD...!

By Dr. Hoyt W. Allen, Jr.

- 1) Delude their minds into thinking that they had come from man's effort, instead of God's blessings;
- 2) Promote an attitude of loving things and using people, instead of the other way around;
- 3) Dupe entire states into relying on gambling for their state revenue.
- 4) Convince people that character is not an issue when it comes to leadership;
- 5) Make it legal to take the life of unborn babies;
- 6) Make it socially acceptable to take one's own life, and invent machines to make it convenient;
- 7) Cheapen human life as much as possible so that the life of animals are valued more than human beings;
- 8) Take God out of the schools, where even the mention of His name was grounds for a law suit;
- 9) Come up with drugs that sedate the mind and target the young, and I would get sports heroes to advertise them;
- 10) Get control of the media, so that every night I could pollute the mind of every family member for my agenda;
- 11) Attack the family, the backbone of any nation.
- 12) Make divorce acceptable and easy, even fashionable. If the family crumbles, so does the nation;
- 13) Compel people to express their most depraved fantasies on canvas and movie screens, and I would call it art;
- 14) Convince the world that people are born homosexuals, and that their lifestyles should be accepted and marveled;
- 15) Convince the people that right and wrong are determined by a few who call themselves authorities and refer to their agenda as politically correct;
- 16) Persuade people that the church is irrelevant and out of date, and the Bible is for the naive;
- 17) Dull the minds of Christians, and make them believe that prayer is not important, and that faithfulness and obedience are optional; I guess I would leave things pretty much the way they are.
