

## **“EVOLUTION, THE TRUTH ABOUT EVOLUTION’S DECEPTION”**

*By Dr. Hoyt W. Allen, Jr.*

The following article came to me recently and I contended that I should pass it on. It has been slightly edited. Please read it - it possibly will bless you real good!

*“In the beginning God created the heavens and the earth”  
(Genesis 1:1 NKJV).*

**1) EVOLUTION removes God as the Author of creation.** One scientist argued that at least 95 percent of our universities’ social scientists, if asked to sign the Declaration of Independence, would refuse-- because they do not believe in a Creator.

*Then God said, “Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth”; and it was so  
(Genesis 1:11 NKJV).*

**2) EVOLUTION authenticates atheism.** “The greatest contribution of Charles Darwin was that he made atheism respectable”, one evolutionist said.

*Then God said, “Let the waters abound with an abundance of living creatures, and let birds fly above the earth across the face of the firmament of the heavens” (Genesis 1:20 NKJV)*

**3) EVOLUTION distorts truth and justice.** One legal expert said that the main problem with today’s U.S. Supreme Court is simple: six of the Justices are evolutionists, and three are not. This more than explains their rulings on issues such as prayer in the classroom, the Ten Commandments, abortion and more. As Dostoyevsky put it, “If there is no God, then everything is permissible.”

*Then God said, “Let the earth bring forth the living creature according to its kind: cattle and creeping thing and beast of the earth, each according to its kind”; and it was so (Genesis 1:24 NKJV)*

(Continued)

(Continued)

**4) EVOLUTION permits moral relativism.** Sir Julian Huxley - the grandson of Thomas Huxley, who popularized evolution for Darwin, and a leading evolutionist in his own right -- was asked why evolution caught on so quickly. He replied, “I supposed the reason we leapt at the *Origin (of Species)* was that the idea of God interfered with our sexual mores.”

*Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth”  
(Genesis 1:26 NKJV)*

**5) EVOLUTION gives man no significance.** Hitler used it to justify his brutal campaign against those he considered of inferior races. The founder of Planned Parenthood set out to eliminate “human weeds” so that superior stock might prevail. Evolution is a major reason behind racism, genocide, abortion, suicide, sexual deviance and a sobering list of other social ills.

It is sad day in which we live when man walks on God’s earth, eats God’s food, drinks God’s water, breaths God’s air and then cannot realize that it is He (God) who is the giver of life and the One whom we shall stand before on Judgment Day. Ignorance of the Bible will not keep mankind from being judged by the Creator.

Matt 12:36 “But I tell you that men will have to give account on the day of judgment for every careless word they have spoken.” NIV Rom 14:10 “...For we will all stand before God’s judgment seat. NIV

**Plainly, don’t get short changed.** Let’s be ready to meet our Maker. The Bible teaches that to avoid hell and gain heaven -we must:

1) Believe In Jesus As Savior (Acts 16:31) 2) Repent Of Sins (Acts 17:30) 3) Confess Christ Audibly (Acts 8:37) 4) Be Baptized In Water (Acts 2:38) 5) Live A Christian Life (Acts 14:22)
