

## **“EVOLUTION, THE TRUTH ABOUT EVOLUTON’S DECEPTION”**

*By Dr. Hoyt W. Allen, Jr.*

The following article came to me recently and I contended that I should pass it on. It has been slightly edited. Please read it - it possibly will bless you real good!

*“In the beginning God created the heavens and the earth”  
(Genesis 1:1 NKJV).*

**1) EVOLUTION removes God as the Author of creation.** One scientist argued that at least 95 percent of our universities’ social scientists, if asked to sign the Declaration of Independence, would refuse-- because they do not believe in a Creator.

*Then God said, “Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth”; and it was so  
(Genesis 1:11 NKJV).*

**2) EVOLUTION authenticates atheism.** “The greatest contribution of Charles Darwin was that he made atheism respectable”, one evolutionist said.

*Then God said, “Let the waters abound with an abundance of living creatures, and let birds fly above the earth across the face of the firmament of the heavens” (Genesis 1:20 NKJV)*

**3) EVOLUTION distorts truth and justice.** One legal expert said that the main problem with today’s U.S. Supreme Court is simple: six of the Justices are evolutionists, and three are not. This more than explains their rulings on issues such as prayer in the classroom, the Ten Commandments, abortion and more. As Dostoyevsky put it, “If there is no God, then everything is permissible.”

*Then God said, “Let the earth bring forth the living creature according to its kind: cattle and creeping thing and beast of the earth, each according to its kind”; and it was so (Genesis 1:24 NKJV)*
