

## FALSE TEACHING #3

*By Dr. Hoyt W. Allen, Jr.*

The following article came to me recently and I contended that I should pass it on. It has been slightly edited and a conclusion added.

Chocolate is derived from cocoa beans. Beans are a vegetable.

Sugar is derived from either sugar cane or sugar beets.

Both of them are plants, in the vegetable category. Thus, chocolate is a vegetable.

To go one step further, chocolate candy bars also contain milk, which is dairy. So, candy bars are a health food.

Chocolate-covered raisins, cherries, orange slices and strawberries all count as fruit, so eat as many as you want.

Remember --- "STRESSED" spelled backward is "DESSERTS"

This is twisting the Scriptures like some smooth talking preachers. They very dignified and smoothly tell untruths such as the following: "If you will accept Jesus as your Savior right now - you can be on your way to heaven. Just repeat the following prayer:

'Lord Jesus, I accept you as my personal Savior, please forgive me of my sins.' (Sinner's Prayer, which does not have doctrinal approval)

After confessing your sins, sign your name here as a saved person."

Please do not take my word or anyone else's, but search the Word of God for the answer as to what one must do for salvation.

Plainly, don't get short changed. Let's be ready to meet our Maker. The Bible (in Acts) teaches that to avoid hell and gain heaven - one must:

- 1) Believe In Jesus As Savior (16:31)
- 2) Repent Of Sins (17:30)
- 3) Confess Christ Audibly (8:37)
- 4) Be Baptized In Water (2:38)
- 5) Live A Christian Life (14:22)
- 6) Be Active In the Church (2:47)
