

## **"THE RAMBO GRANNY OF MELBOURNE, AUSTRALIA"**

*By Dr. Hoyt W. Allen, Jr.*

Gun-toting granny Ava Estelle, 81, was so ticked-off when two thugs raped her 18-year-old granddaughter that she tracked the unsuspecting ex-cons down - - and shot off their testicles.

The old lady spent a week hunting those men down -- and when she found them, she took revenge on them in her own special way, said Melbourne police investigator Evan Delp. Then she took a taxi to the nearest police station, laid the gun on the sergeant's desk and told him as calm as could be:

'Those outlaws will never rape anybody again, by God. Cops say convicted rapist and robber Davis Furth, 33, lost both his penis and his testicles when outraged Ava opened fire with a 9-mm pistol in the hotel room where he and former prison cellmate Stanley Thomas, 29, were holed up.

The wrinkled avenger also blew Thomas' testicles to kingdom come, but doctors managed to save his mangled penis, police said. The one guy, Thomas, didn't lose his manhood, but the doctor I talked to said he won't be using it the way he used to, Detective Delp told reporters. Both men are still in pretty bad shape, but I think they're just happy to be alive after what they've been through.

The Rambo Granny swung into action after her granddaughter Debbie was carjacked and raped in broad daylight by two knife-wielding creeps in a section of town bordering on skid row. "When I saw the look on my Debbie's face that night in the hospital, I decided I was going to go out and get those outlaws myself because I figured the Law would go easy on them," recalled the retired library worker. "And I wasn't scared of them either, because I've got me a gun and I've been shootin' all my life. And I wasn't dumb enough to turn it in when the law changed about owning one."
