

"GUNS AND DOCTORS"

By Dr. Hoyt W. Allen, Jr.

Doctors:

- (A) The number of physicians in the U.S. is 700,000.
 - (B) Accidental deaths caused by physicians per year are 120,000.
 - (C) Accidental deaths per physician is 0.171.
- Statistics courtesy of U.S. Dept of Health Human Services.

Guns:

- (A) The number of gun owners in the U.S. is 80,000,000 (Yes, that's 80 million)
 - (B) The number of accidental gun deaths per year, all age groups, is 1,500.
 - (C) The number of accidental deaths per gun owner is 0.000188.
- Statistics courtesy of the FBI.

So, statistically, doctors are approximately 9,000 times more dangerous than gun owners! Remember, 'Guns don't kill people, doctors do.'

FACT:

NOT EVERYONE HAS A GUN, BUT ALMOST EVERYONE HAS AT LEAST ONE DOCTOR.

Please alert your friends to this alarming threat. We must ban doctors before this gets completely out of hand!

PS: Out of concern for the public at large, I withheld the statistics on lawyers, for fear the shock would cause people to panic and seek medical attention!

Plainly, don't get short changed. Let's be ready to meet our Maker. The Bible (in Acts) teaches that to avoid hell and gain heaven - one must:

- 1) Believe In Jesus As Savior (16:31) 2) Repent Of Sins (17:30)
- 3) Confess Christ Audibly (8:37) 4) Be Baptized In Water (2:38)
- 5) Live A Christian Life (14:22) 6) Be Active In the Church (2:47)
