

HOLOCAUST, IN MEMORY OF IT

By Dr. Hoyt W. Allen, Jr.

It is a matter of history that when Supreme Commander of the Allied Forces, General Dwight Eisenhower, found the Victims of the Death camps he ordered all possible photographs to be taken, and for the German people from surrounding villages to be ushered through the camps and even made to bury the dead.

He did this because he said in words to this effect; "Get it all on record now - get the films - get the witnesses - because somewhere down the track of history some bastard will get up and say that this never happened."

"All that is necessary for the triumph of evil is For Good men to do nothing." - Edmund Burke

Recently, one history department in a northern UK city stopped teaching about **The Holocaust** because it wished to avoid confronting anti-Semitic sentiment and Holocaust denial among some Muslim pupils: True according to "Snopes".

This is a frightening portion of the fear that is gripping the world and how easily each country is giving into it. It is now more than 60 years after the Second World War in Europe ended.

This article is being distributed as a memorial, in memory of the: six million Jews, 20 million Russians, 10 million Christians And 1,900 Catholic priests who were murdered, massacred, raped, burned, starved and humiliated while the German and Russia peoples looking the other way! Are we our brother's keeper?

Now, more than ever, with Iran, among others, claiming the Holocaust to be 'a myth,' it is **imperative to make sure the world never forgets**. Yes, we are our brothers' keeper.
