

(Continued)

they're going to do it anyway, let's give our sons all the condoms they want, so they can have all the fun they desire, and we won't have to tell their parents they got them at school. And we said, OK.

Then some of our top elected officials said it doesn't matter what we do in private as long as we do our jobs. And agreeing with them, we said it doesn't matter to me what anyone, including the President, does in private as long as I have a job and the economy is good.

And then someone said let's print magazines with pictures of nude women and call it wholesome, down-to-earth appreciation for the beauty of the female body. And we said, OK.

And then someone else took that appreciation a step further and published pictures of nude children and then stepped further still by making them available on the Internet. And we said OK, they're entitled to their free speech.

And then the entertainment industry said, let's make TV shows and movies that promote profanity, violence, and illicit sex. And let's record music that encourages rape, drugs, murder, suicide, and satanic themes. And we said it's just entertainment, it has no adverse effect, and nobody takes it seriously anyway, so go right ahead.

Now we're asking ourselves why our children have no conscience, why they don't know right from wrong, and why it doesn't bother them to kill strangers, their classmates, and themselves.

Probably, if we think about it long and hard enough, we can figure it out. I think it has a great deal to do with "**WE REAP WHAT WE SOW.**"

"Dear God, Why didn't you save the little girl killed in her classroom?"  
Sincerely, Concerned Student ... AND THE REPLY "Dear Concerned Student, I am not allowed in schools." Sincerely, God.

Funny how simple it is for people to trash God and then wonder why the world's going to hell. Funny how we believe what the newspapers say, but question what the Bible says.

Funny how everyone wants to go to heaven provided they do not have to believe, think, say, or do anything the Bible says.

Funny how someone can say "I believe in God" but still follow Satan who, by the way, also "believes" in God.

Funny how we are quick to judge but not to be judged.

Funny how you can send a thousand 'jokes' through e-mail and they spread like wildfire, but when you start sending messages regarding the Lord, people think twice about sharing.

Funny how the lewd, crude, vulgar and obscene pass freely through cyberspace, but the public discussion of God is suppressed in the school and workplace.

Funny how someone can be so fired up for Christ on Sunday, but be an invisible Christian the rest of the week
