

## **WOMEN, BEWARE!**

Recently on "Inside Edition" there was an article about several **new scams to abduct women**. In one, a man comes up to a woman in a Mall or Shopping Center and asks if she likes Pizza. When she says she does, he offers her \$100.00 to shoot a commercial for Pizza, but they need to go outside where the lighting is better. When the woman goes out of the mall she is abducted and assaulted.

**Another ploy** is a very nicely dressed man asks a woman if she would be in a Public Service Announcement to discourage drug use. The man explains that they don't want professional actors or celebrities, they want the average mother to do this. Once she leaves the mall she is a victim of sexual abuse.

**The third ploy**, and the most successful, a very frantic man comes running in and asks a woman to please help him, his baby is not breathing. She runs out of the mall following him and also becomes a victim.

These have been happening in well-lit parking areas, in daylight as well as nighttime, all over the country. The abductor usually uses a van to abduct the woman. "Inside Edition" set up a test in a Mall and 10 out of 15 women went out of the Mall on the Pizza and the PSA scam. **All of them went out of the Mall on the baby scam**. Please pass this along to your friends and family as now that it has been shown on nationwide TV there are bound to be copycats of this. **The third one, I think, is the scariest**. You might resist pizza or becoming a commercial celebrity...but who would be able to resist a frantic father asking for help for his child? I'm sure that one would get me.

I was going to send this to the ladies only, but guys, **if you love your mothers, wives, daughters, female co-workers & friends, etc.** you may want to pass it on to them, as well. Send this to any woman you know that may need to be reminded that the world we live in has a lot of crazies in it...better safe than sorry.....

You may **remember the story** about a woman who was shopping at a Mall. She came out to her car and saw she had a flat. She got her jack, and spare out of the trunk. A man in a business suit came up and started to help her. When the tire had been replaced, he asked for a ride to his car on the opposite side of the Mall. Feeling uncomfortable about doing this, she stalled for a while, but he kept

pressing her. She finally asked why he was on this side of the Mall if his car was on the other. He claimed he had been talking to friends. Still uncomfortable, she told him that she had just remembered something she had forgotten to pick up at the mall and she left him and went back inside the mall. She reported the incident to the mall security and they went out to her car. The man was nowhere in sight. Opening her trunk, she discovered a briefcase the man had set inside her trunk while helping her with the tire. Inside was a rope and a butcher knife. And, when she took the tire to be fixed, the mechanic informed her that there was nothing wrong with her tire, that it was flat because the air had been let out of it.

**PLEASE BE SAFE AND NOT SORRY! JUST A WARNING  
TO ALWAYS BE ALERT AND USE YOUR HEAD!!!**

This is an evil world in which we live. God expects each of us to use our God-given common sense concerning self protection. Jesus came into the world to save lost sinners (John 10:10). Anyone can be forgiven if they are willing to be "Born Again" and start life over. The Bible teaches that "Every tub must set on its' own bottom". One can not blame his/her parent or another for his/her misconduct (sin). The "Good Book" says that we shall all be judged properly (Romans 14:12).

**To be saved** from our sins here and in eternity, the Bible teaches that one must:

- 1) Believe In Jesus As Savior (Acts 16:31)
- 2) Repent Of Sins (Acts 17:30)
- 3) Confess Christ Audibly (Acts 8:37)
- 4) Be Baptized In Water (Acts 2:38)
- 5) Live A Christian Life (Acts 14:22)
- 6) Be an Active Part of the Church (Acts 2:47)
